MESSAGE FROM THE RECTOR

Chief Executive Officer / Rector
Rolof Institute Of Management And
Technology

Dear Prospective Student,
Welcome to **Rolof Institute of Management and Technology.**

Our institution is committed to providing **quality education that prepares students for leadership, innovation, and service in a rapidly evolving world.**

At Rolof IMT, education extends beyond the classroom. Our programmes integrate **theoretical knowledge with practical training**, ensuring that graduates possess the competence and confidence required for professional success.

Through **modern laboratories, experienced faculty, and strong**

industry connections, the institute provides a learning environment that encourages **creativity, innovation, entrepreneurship, and responsible leadership.**

We invite you to explore the opportunities available at Rolof Institute of Management and Technology and become part of a community dedicated to excellence.

ABOUT ROLOF INSTITUTE OF MANAGEMENT AND TECHNOLOGY

Rolof Institute of Management and Technology (Rolof IMT) is a technology-driven tertiary institution dedicated to developing professionals equipped with:

- Technical expertise
- Entrepreneurial skills
- Ethical leadership

The institute **combines academic learning with practical skill development**, preparing students for careers in technology, finance, business, and digital innovation.

HISTORY AND FOUNDATION

Rolof IMT builds upon **over three decades of educational leadership and ICT training.**

The institution evolved through the following phases:

1986 – Foundation

Established as Rolof Computer Training School, pioneering ICT training in Delta State.

2017 – Innovation Enterprise Institution

Licensed by the Federal Government through the **NBTE** to deliver National Innovation Diploma programmes.

Present – Monotechnic Development

Expansion into a full **monotechnic institution** offering National Diploma programmes

VISION MISSION CORE VALUES

VISION

To become a leading institution in Africa for technology, management, and innovation.

MISSION
